

# **Trivia Night Rules and Important Information**

1. There will be 10 rounds of trivia, each round will have 10 questions from 10 different categories.
2. Each team should designate a “recorder” to write down the team's answers. Each Team needs to choose a team name. (There will be a team packet on your table when you arrive)
3. The Emcee will read the question 2 times. The teams will have 30 seconds to brainstorm together and select the best answer for the question. The team recorder will write down the teams answer on the corresponding answer sheet. At the end of each round, each team will have an additional 60 seconds to answer any questions that may not have been answered during the round.
4. Members of the Trivia Committee will collect the answer sheets after each round. Once all sheets are collected, the Emcee will announce the correct answer to each question.
5. Answers from each team will be scored and tallied by the trivia committee. The committee has the final say. A scoreboard will be displayed to show the current team rankings after each round. Each question is worth 1 point!
6. After the final round, all final scores will be tallied, and prizes awarded to first place team and last place team.

*\*\*\*NO cell phones or electronic devices of any kind may be used during the game. If a team is found to be using such a device, that team will be disqualified.\*\*\**

## **Mulligans:**

When your team gets in a pinch and just cannot come up with an answer to a trivia question, they can purchase “mulligans”. Mulligans will be sold in packs of 10. If you preregister you can get 10 for \$75.00! If you wait to buy them at the door, they are 10 for \$100! When necessary, you may place a mulligan sticker on your answer sheet, and it will be counted as a correct answer. Only 10 mulligans total may be used over the entire 10 rounds of play so choose wisely!

## **Mini-Games**

**50/50 Game** – All parties stand up and take out a \$1 bill. Dollar Bills will be collected and then you will put your hands on your head or your "tail". The Emcee will flip a coin and state if it is heads or tails. Those who get it wrong sit down. Those who are correct stay standing and pick heads or tails again. The game continues until one person is left standing. The winner splits the pot 50/50 with the Boosters! We will play this game twice between trivia rounds so bring some cash to play and hopefully win!

## **Optional Fun**

**Themed Tables** – this is **optional** participation. Each team can dress their table up in a theme. This is a great way to show off your creativity and it adds another element of fun to the evening! Prize will be given out to best dressed table!

## **Jail**

Anyone may pay \$10.00 to eject someone from the game for ONE Round. This must take place before a new round begins. Players serving out their jail sentence may pay to put other players in jail. No one player may be put in jail more than once. No more than half of a team may be in jail at the same time.
